TOWN WARRANT

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 1 P.M. to 7 P.M.

To the Inhabitants of the Town of Bradford in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the second day of March, next at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing and the question of accepting a Zoning Ordinance.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March third at 8:00 o'clock in the evening; the raising of money and other articles in the warrant to be taken up at the adjourned meeting.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the American Red Cross. (Permitted by Law)

5. To see if the Town will vote to raise and appropriate the sum of \$362.00 for Hospitals; Concord Hospital to receive \$162.00 and New London Hospital to receive \$200.00.

6. To see if the Town will vote to raise and appropriate an amount equal to \$1.25 per inhabitant of the Town or \$1,128.75 to continue participation in the Kearsarge Visiting Nurse Association.

7. To see if the Town will vote to raise and appropriate the sum of \$1,076.34 for Town Road Aid. The State will furnish the sum of \$7,175.57.

8. To see if the Town will vote to raise and appropriate the sum of \$22,185.00 for publishing the Town History; \$1,000.00 to come from the American Revolution Bicentennial Grant, \$7,500.00 from estimated sale of books in 1976 and the History Trust Fund in the amount of \$2,785.31 plus any accrued interest at the time of the closing of the Fund and the balance to be raised by taxation.

9. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the expense of the History Committee.

10. To see if the Town will vote to raise and appropriate the sum of \$160.00 for the Dartmouth-Lake Sunapee Region Association. (Submitted without the recommendation of the Budget Committee).

11. To see if the Town will vote to raise and appropriate the sum of \$488.00 as the Town's share for the studies and operation of the Central New Hampshire Regional Planning Commission. (Submitted without the recommendation of the Budget Committee).

12. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund for the purpose of purchasing equipment; the purchasing of said equipment subject to a vote of the Town.

13. To see if the Town will vote to raise and appropriate the sum of \$44,000.00 for a Tax Map; and authorize the withdrawal of \$26,000.00 for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972;

\$11,087.45 to come from the Capital Reserve Fund established for that purpose plus any accrued interest with the balance to be raised by taxation.

14. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the continuation of services to the low-income residents of Bradford through the Kearsarge Valley Area Center of the Community Action Program, Belknap-Merrimack Counties, Inc.

15. To see if the Town will vote to raise and appropriate the sum of \$300.00 to build a sidewalk at the Brown Memorial Library.

16. To see if the Town will vote to raise and appropriate the sum of \$19,900.00 for a complete revaluation of the lands and buildings within the boundaries of the Town; said appraisal and appraisers subject to the approval of the State Board of Taxation. (Not recommended by the Budget Committee).

17. To see if the Town will vote to raise and appropriate the sum of \$5,200.00 for a solid waste transfer system at the Town Dump. (Not recommended by the Budget Committee).

18. To see if the Town will vote to accept any of the moneys received for the establishment of Trust Funds received during the year since the last Annual Meeting. (Listed in Detailed Statement of Payments in the Town Report).

19. To see if the Town will vote to accept a grant of \$1,000.00 from the American Revolution Bicentennial Commission to be used towards publishing a Town History.

20. To see if the Town will vote to authorize the Selectmen to enter into a contract with the State Historical Commission to acquire and maintain a proposed historical marker at Bradford Center; said marker to require no funds from the Town.

21. To see if the Town will vote to adopt the following Ordinance: All Town Department of Highway equipment will be used for the maintenance of Town highways, buildings and property and shall not at any time be used for private, non-profit or non-town maintained property, unless an emergency exists. This Ordinance shall not be construed to mean non-rental of said equipment to the State of New Hampshire or surrounding towns. (Submitted by Petition).

22. To see if the Town will vote to adopt the following Ordinance: No persons shall use the Police Department Cruiser unless on active payroll by the Town at the time of said operation. This Ordinance shall not include "Emergencies" when the Police Chief is going to be out of town, provided, the Police Chief has advised at least one member of the Selectmen that he will be out of town, and he has designated a certain officer to act in his place for any emergency call for the Town; this certain designated officer shall be named by the Selectmen. (Submitted by Petition).

23. To see if the Town will adopt the following Ordinance: Giving the Selectmen the power to authorize the Public Service Company of New Hampshire to remove any and all electrical connections on the Public Service Company of New Hampshire meter at the church not having to do with the direct maintenance of the town clock on the steeple. (Submitted by Petition).

24. To authorize the Selectmen to apply for, contract for and accept aid for Federal disaster in the event they are needed.

25. To see if the Town will vote to accept the reports of the Town Officers.

26. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and seventy-six.

SELECTMEN'S COMMENTARY — 1975

Again this year, the Town of Bradford has been able to hold the line on so-called inflation. A look at 1974's budget will show that the Town finished that year with a surplus of \$14,645.90, and for 1975 we happily crawled out of that year with a surplus of \$17,799.32 being turned back into the general fund. A sound measure of this accomplishment must be attributed to the Budget Committee's manner of appropriating and allocating funds wisely and with forethought.

The Board of Selectmen extend heartfelt thanks to all of you, in the Town of Bradford, who served on the varied boards, committees, and meetings that helped so much in making Bradford a good place to live in this past year.

In a short but touching ceremony, Alice Crossley of High Street, was presented the "Boston Post Cane," as the oldest living resident of Bradford. Mrs. Crossley has been amongst us since 1882 — and it is our sincerest wish that she retains a firm grip on that cane for many more years to come.

It was intended to outline a short resume of the accomplishments of the Town's varied operating Departments and Committees in this Commentary. However, that would appear repetitious inasmuch as each of these organizations have reports elsewhere in this pamphlet and they speak for themselves. Suffice it to say that each department and committee did their part diligently and consistently to the best of their concentrated abilities.

The cessation of open burning at the town dump has been set back to July 1, 1977 — thus giving us more breathing time to explore alternative avenues of approach to this problem. For a small town, such as Bradford, to rid itself of its daily accumulations of rubbish and garbage in other than open burning, then burying the residue, presents a financial problem of a magnitude that will require careful planning and thorough examination of each alternative open to us. Much work has already been put into this project, and at present it appears that the proposal outlined in the Conservation Commission's report may be a solution — it is by no means the sole answer to the problem. At the time that this question comes up for discussion, whether at hearings, special meeting or next year's town meeting, the voters of Bradford will be given ample opportunity to examine and question several means of disposal — amongst them will be landfill, landfill with recycling, incineration with recycling, going regional with other towns, having the trash removed commercially, etc. Each one will cost money, lots of money, so it will be up to the voters to determine which will best meet our needs with the least financial outlay.

When last year's Inventories were sent out it was requested that when returning them to attach a sketch of the property involved, with dimensions and other pertinent information — the results were gratifying. As had been pointed out, this information is going to be used when work starts on the Town's Tax Map. Along with proposed professional appraisal of the entire Town, the Tax Map will conclusively locate and identify every parcel of land, buildings, etc., thus giving us, for the first time, the means to assess equally and on a just basis throughout the town.

There is no doubt that many residents in French's Park and surrounding areas are greatly disappointed that the well, across from the Park, had to be sealed off. This action had to be taken as the well was found to be heavily contaminated.

This past summer we were very fortunate in obtaining the services of several youths to paint cemetery fences. This service was rendered by the Summer Youth Employment Program under the auspices of the Community Action Program. All it cost the town was paint and brushes — salary was picked up through federal funding. Plans are now being formulated to utilize some youths again for the summer of 1976, as there are many tasks that we can use them on.

With the end of the operating year, as we approach Town Meeting, we find a bit of sadness and apprehension in the Selectmen's Office. Sadness, in that we are losing a Selectman who has been a constant source of steady influence in matters of judgment, a man whose sole interest, while in office, was to serve the Town of Bradford to the utmost of his ability — "Barney" Woods, we're going to miss you. Apprehension, in that we get a new member on the Board, not knowing who he is (until elected), wondering where his aims and philosophies are directed, and how well and soon can we reweld into a working team — whoever you are, rest assured that the welcome mat is out, and that your transition from peaceful tax-paying resident to harassed town official will be paved as smoothly as can be done.

Again we reiterate this year, there should be nothing mystifying about the administration of town affairs — if you are in doubt about anything that entails the town or your tax dollars, by all means, come into the Selectmen's Office any Friday night, starting at 7:00 p.m., and ask about it — ask to see the records. No town records will be mailed out, nor loaned out of the office, nor is the Selectmen's Secretary empowered to show, give or loan any town records without express permission of the Selectmen — otherwise all records are public and can be seen in the Selectmen's Office.

REPORT OF TOWN AUDIT
Town of Bradford, N.H.
Fiscal Year Ending December 31, 1975 [June 30, 1976]

REVENUE SHARING FUND

Statement of Revenue, Expenditures, Encumbrances and Fund Balance

Available Funds, January 1, 1975 (July 1, 1975)	\$15,985.98
---	-------------

Add Revenue:

Entitlement Payments	\$9,346.00	
Interest	<u>789.66</u>	
		<u>10,135.66</u>

Total Available Funds	\$26,121.64
-----------------------	-------------

Available Cash — December 31, 1975 (June 30, 1976)	\$26,121.64
--	-------------

Available Unobligated Funds — December 31, 1975 (June 30, 1976)	\$26,121.64
--	-------------

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Bradford, N.H., for the fiscal year ended December 31, 1975 (June 30, 1976).

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Bradford, N.H., for one year ended December 31, 1975 (June 30, 1976).

Signed,
CARROLL BUTMAN
HAZEL D. FISK
Auditors
Town of Bradford, N.H.

Date, January 14, 1976

REPORT OF TOWN AUDITORS

For the year ending Dec. 31, 1975

We, the Auditors of the Town of Bradford have examined the books of the Selectmen, Tax Collector, Treasurer, Town Clerk, Library Trustees and Trustees of the Trust Funds for the year ending December 31, 1975. Compared the figures and found the same correct.

BROWN MEMORIAL LIBRARY REPORT

The narrative report of the Trustees of Brown Memorial Library each year not only adds a small, indelible chapter to the history of Bradford, but affords the Trustees a platform to blow their horn — to compliment themselves and the town for the success of the library.

In this Bicentennial year, also the 84th year of the library, it is appropriate that this report demonstrate to you, the beneficiaries, the quality of your library legacy.

First, be proud that Bradford makes such good use of its library. The New Hampshire State Library Statistical Report places Bradford 22nd among 134 libraries of similar size in total circulation, and 7th in circulation per capita. Bradford circulated 13 books per resident, compared to a state-wide average of just over 6. This amounted to over 18 books circulated for every hour the library was open. The cost to circulate one book was 54 cents, compared to a state average of 79 cents.

Be also proud of the fine endowment which has been given to the library by many thoughtful citizens. This endowment not only keeps our budget requests to the town down, but also allows the purchase of many of our books. The town has appropriated \$400.00 each of the past several years for books; yet thanks to our endowment, we are able to spend over \$1,200.00 on new book purchases. This year, because of the rapid inflation of the cost of books, we are asking the town for \$500.00. We also wish to encourage everyone to make donations of either books or money for the purpose of assisting our book budget.

Be proud of the fine building which houses Brown Memorial Library, and the Town's generosity in maintaining this building so well. Consider its future. The shelves are presently full to overflowing; the town is growing rapidly; circulation is increasing. By state regulation, when the town reaches a population of 1,000 residents (either this year or next) we will be required to open three more hours per week to provide good service. This will increase book needs and use, bring in new borrowers, and further tax our space limitations. We foresee the need for increased space in perhaps five years or less.

Be proud of the State Library development program which provides us with so much assistance during each year. In 1975 the Bookmobile lent us over 1,250 books at no cost to us. These go a long way towards making up for our inability to purchase everything our readers want. When we have had requests for books which we do not have, we use the lending ability of the New Hampshire State Library and its 700,000 volumes. The state also provides \$100.00 each year for the purchase of reference books, and also furnishes professional assistance to our librarian whenever she has technical problems. The state also sponsors courses in library science for the continuing education of the librarian.

Be especially proud of Delores Hansen, your librarian, who works long and arduous hours to encourage the pursuit of reading; who maintains such well organized and attractive library surroundings; who takes so much extra time in self education; and who provides the town with such fine, friendly service.

Change has been the by-word at the Library in 1975. The most visible element of this change was the complete reorganization of our

stacks, which we believe has made our most used books more easy to locate. As a part of this reorganization, over 500 books were culled and discarded because of their age, condition and lack of use. A full reference section was established in one location and recatalogued appropriately. The children's section has been revamped and is now under close scrutiny of the trustees since we have lost another two grades of school users. We have established a New Hampshire section with Town Histories, state historical records, and books about New Hampshire by local authors. We are actively seeking many books for this section and hope that there will be donations from the townspeople. We have reorganized our magazine purchases to include more material about country living, New England, arts and crafts, etc. We have spent a larger than usual proportion of our funds in rejuvenating our non-fiction books to include modern books on history, travel, cooking, crafts, and social sciences.

We, the Trustees of Brown Memorial Library sincerely hope that every resident of the town will find time to visit the library this year. We are justly proud of it and you will be too.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

REPORT OF BRADFORD

FIRE DEPARTMENT

Chimney Fires	4	Mutual Aid	11
Car Fires	8	Brush Fires	3
House Fires	3	Others	1

Your Fire Department answered 30 calls. The Rescue Squad responded to 108 which was down from 1974.

All of these calls came in over our emergency telephone network. Many other calls were also handled by this network.

I would like to express our appreciation to the people who have these phones in their homes and businesses knowing well of the nervous strains that go with it. I want to take this opportunity to express my high regard for the men and women serving in the Rescue Squad for their ability and dedication. They give freely of their time in answering calls and spend much time in training and studying.

I would like to also thank the Police Department for its cooperation and assistance, particularly for traffic control at fires which is very vital to the functioning of the Fire Department.

The hose asked for in last year's budget was purchased making it now possible to reload the trucks with dry hose when returning from a fire.

This year the department needs to replace and up-grade its protective gear that the men wear while fighting fires. This gear is not only designed to keep the men dry but to give protection against heat, flash over and toxic agents. Much of our present gear is old, in poor condition and of substandards.

There are also some repairs needed on the Fire Station. A sill in the original portion needs replacing. New footing will also be needed.

The emergency truck that the Fire Department and Rescue Squad started a year ago is now in full operation. It carries extra fire fighting equipment and emergency first aid equipment. It rolls with the ambulance on all auto and truck accidents. (This truck was bought and equipped without the use of town appropriated funds.)

ROBERT A. MOORE
Chief

REPORT OF BRADFORD POLICE DEPARTMENT

1975

Arrests made from January 1, 1975 through December 31, 1975

Auto: unsafe tires 13, speed 107, unreasonable speed 1, reckless operation 1, failing to stop for a police officer 1, driving while intoxicated 5, uninspected motor vehicle 8, yellow line 5, failing to report accident 1, operating unregistered motor vehicle 4, disorderly conduct with motor vehicle 3, operating without valid license 4, misuse of plates 2, red light violation 13, no eye protection 2, operating after revocation 8, operating a motorcycle without protective headgear 2, coasting a motor vehicle in neutral 1.

Criminal: theft of services 1, theft 2, assault 2, bad checks 1, burglary 4, disorderly conduct 2, resisting arrest 1, intoxications 2, disobeying a police officer 1, contributing to the delinquency of a minor 1, arrest on a Capias with Sheriff's Department 1, kindling a fire without a written permit 1, possession of a controlled drug 4, manufacturing a controlled drug 1, knowingly being present where there was a controlled drug 1, criminal threat 1, arrest on a warrant for State Police 1.

Town Ordinance: dogs at large 12, parking violations 42.

Incidents that happened from January 1, 1975 through December 31, 1975

Phone calls received 994, domestic complaints 176, burglaries 9, burglaries solved 5, vandalism complaints 10, dog complaints 64, motor vehicle complaints 36, motor vehicle accidents 21 (reportable), lectures given at the schools 16, vacant homes that have been watched 161, missing persons 5, missing persons found 5, snowmobile complaints 4, obscene phone calls 4, suspicious persons 8, untimely deaths 1, lost ponies 1, ponies found 1, gun permits issued 11, assist other Police Departments 17, motor vehicle warnings given out 100.

As you can see, the Police Department has been busy in this last year. Everything that has been done above was done for only one reason, and that is to make Bradford a safe place to live. At this time I would like to publicly thank all my officers for doing an outstanding job for the town.

For the people that do not know who the police officers of Bradford are, they are as follows: Lt. Richard MacLeod, Sergeant Howard Eaton, Officer Arthur Valley, Officer Joseph Battles, Officer Florence Jones, Officer Lillian Sejkowsky, Officer Lou Ellen Scheer (resigned, moved) and Officer Michael Pugliese Jr. (resigned, work full time for Newport Police Department).

I also want to thank the people of Bradford for their help in this last year. If we continue to work together, I feel that Bradford will be the safest place to live in the State of New Hampshire. Again I thank all the people for the help given to this department.

THOMAS F. IVERSON JR.
Chief of Police

REPORT OF THE BRADFORD CONSERVATION COMMISSION

The Bradford Conservation Commission held regular monthly meetings and many special meetings throughout the year. We were concerned with three major projects.

1 — The Dump. Phasing out of the present dump site, which is scheduled for the summer of 1977, has necessitated a special dump study committee, formed of the Conservation Commission members. This committee has met with dump study committees of neighboring towns with a view to possible collaboration to cut down expenses. Our main objective is to secure the most efficient and economical method for solid waste disposal. We have worked most closely with Sutton, and hope to share costs with them in the final method adopted.

2 — The Bradford Bog. An attractive rustic sign has been made and will be erected as soon as the ground is suitable. We still hope to make trails, and have small signs identifying the wild flowers and trees. Rustic road signs leading to the Bog have also been made and will be erected as soon as possible.

3 — The Railroad Bed Bicentennial Walk. Through the help of Mr. Robert Stewart and the Boy Scouts, the railroad bed has been cleared, but a certain amount of fill will be necessary. We intend to have benches, as well as a recreation area for youth and teen-agers.

In addition to these three major objectives, we have been concerned with beautifying the Town. For this purpose, several saplings were given to us by the New Hampshire Forestry Service. Since they were too small to be put out, they are being cared for by Mrs. Evelyn Lammert, Mr. S. Jay George and Mr. Francis Brighton. They include Japanese *Velkovia* (elm), white birch, maple, white spruce and Scotch pine. We were especially fortunate in getting the Japanese elm which are experimental for replacing the American elm. They are resistant to Dutch elm disease. When these saplings are big enough to be put out, they will be planted along Main Street and be used for landscaping Town property.

Respectfully submitted,

S. JAY GEORGE

REPORT OF THE BRADFORD PLANNING BOARD

Your Planning Board has reviewed nine land subdivision plans during the period of January 1, 1975 to December 31, 1975 and has approved six. These approved subdivisions were all in the category of simple subdivisions, meaning three or less parcels involved in the parent tract. One subdivision application of an extensive land holding involved an abandoned, inactive road. Your Board outlined the necessary specifications which the developer would be obliged to meet in reactivating this road within his tract and, as a result, because of the enormous costs to the developer, the plans were changed to a simple subdivision. Changes in subdivision regulations are anticipated by your Board. Of utmost importance is a prompt effort to protect the town from road expenses which would occur when a developer fails to complete roads within an approved housing development, through financial difficulties or bankruptcy. Protection from this contingency will be sought by requiring that the developer post adequate performance bonds which will assure road completion with no drain on town revenues.

The Road Study Committee is in the process of assigning all roads a definite classification with ready reference, when completed, on a base map of the town.

A Tax Map covering all lands within town bounds must soon get underway. Your Board has devoted much time and consideration to exploring various services offered in this field and is convinced that a thorough, accurate survey, with an equally accurate planimetric map, is essential for obtaining results which will avoid confusion and conflict of ownership because of inaccuracies occurring along the way in composing this tax map. This project must be completed at the end of 1979, as mandated by the State of New Hampshire and will require two years to complete all phases. With constantly rising costs in all aspects of modern living, your Board will soon activate this mapping program.

In the framework of a Master Plan for the Town of Bradford, the most important implements are zoning regulations. In order to have meaningful guidelines for future growth and development of our community, it is desirable that all townspeople show their interest in the future of their town by attending hearings to be scheduled by your Zoning Committee and to take part in adopting beneficial regulations as proposed.

With the constantly changing regulations under which your Board functions, membership in the Central New Hampshire Regional Planning Commission would be of great value in providing advice on the many problems arising, and this commission is a "clearing house" for most towns whose experiences can be shared for mutual benefit.

The Dump Study Committee has made a separate report.

Again in 1976 this Board pledges continued dedication to its assigned duties, striving to give the best service of which it is capable to fellow townspeople.

Respectfully submitted,
FRED BODHOLT
Chairman

ROBERT PERRON, ex officio, Selectman

REPORT OF ROAD STUDY COMMITTEE

The Road Study Committee had four meetings this past year. We held a joint meeting with the Planning Board in regard to roads closed subject to gates and bars.

We find that there is a state law classifying town roads. Any town road having no money spent on it for a period of five years or more is considered a closed road, RSA 230:6.

At the same meeting scenic roads were discussed. The road from the Center Road covered bridge to the top of Sunset Hill Road, and the road from Box Corner to East Washington were recommended to the Planning Board as scenic roads.

At our last meeting of the year we gave the Planning Board a map of all roads in town, indicating which were closed subject to gates and bars. It was also voted that Robert Perron of the Planning Board would obtain from legal counsel in regard to what the town would encounter on roads closed subject to gates and bars if a developer came in and wanted one of the roads opened.

In closing some of these roads the committee feels there should be some consideration in getting fire apparatus and men into some of these areas.

CARROLL BUTMAN
RICHARD MacLEOD
CLARENCE L. WHEELER

REPORT OF THE BRADFORD DUMP STUDY COMMITTEE

As an adjunct of the Bradford Conservation Commission, this committee has studied several alternatives to the present open, burning deposit of solid waste. This must cease, by State mandate on July 1, 1977.

Incineration as an alternative is impractical, not only because of the need for regional participation, with no surrounding towns disposed to join with us to share initial installation costs, but the spiraling price of fuel and the growing concern of air pollution further discourage the use of this method.

A land fill operation at the present dump site will not receive state approval because of unsuitable subsurface conditions. This was established by test borings conducted in December 1974, sponsored by this committee. Poor soil, sloping ledge and a pollution threat to the brook on the opposite side of Route 103 preclude this location as a land fill site.

The remaining alternative, which this committee endorses, is a transfer of our solid waste to a state approved out-of-town land fill. Committee members will undertake drawing up the required engineering plan to be submitted for state approval. This would involve installation of a transfer station with a roofed-over, readily accessible ramp for solid waste deposits. Below the level of this ramp, a large open dump-type trailer would be positioned and at the end of each of three deposit days per week, this trailer would be hauled by tractor for emptying to a state approved land fill in Danbury. By state regulations, an attendant would be required to maintain a litter-free area at this transfer station. As early as April 1976, this committee plans to initiate a rodent control program by professional exterminators. Phasing out of the present dump area to meet state regulations would include reduction of slopes, compaction of remaining materials and a final cover of two feet in depth to support vegetation. Our proposed transfer station would be constructed independent of the phase-out operation and would be immediately able to replace the old system of open dumping.

In conclusion, this committee is convinced that the above proposed transfer method will prove a wise choice. There are changing trends in regard to disposal of solid wastes, with the distinct possibility that industry will recognize this new resource and put it to use. It makes no sense to continue cutting down trees for wood pulp while we throw away old newspapers. Once recycling becomes profitable, we shall find a ready market for our solid wastes and disposal costs will diminish. Our proposal will readily adapt to future changes.

Respectfully submitted,

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT

December 31, 1975

Community health nursing is more than nursing in a setting other than the hospital. It is a unique blend of nursing and medical services woven together to best serve the people in their usual environments of home, school and work. The agency staff has been reorganized and increased to include 1 full-time RN, 3 part-time RNs, 1 physical therapist, 1 occupational therapist, 1 speech therapist and 2 homemaker-home health aides. Expanded services include use of food bank and emergency fund, increased TB testing and follow-up, and the homemaker-home health aide program.

Towns served: Andover, Bradford, Danbury, New London, Springfield, Sutton, Warner, and Wilmot.

Services provided: skilled nursing care, physical therapy, occupational therapy, speech therapy, Homemaker-Home health aides (designed to meet the needs of the elderly population. Assists with personal care, meal planning, light housework, etc, under supervision of RN.)

Referrals: Received from various sources: patient, family, friend, hospital, physician, welfare, police, churches and other organizations. Anyone can make a referral. All referrals are welcomed and highly confidential.

Fee: These services are provided regardless of ability to pay. The KVNA is supported through town appropriations, fees collected, Medicare, insurances and contributions.

Total visits — 1032

Total mileage — 11,904

Visits to your town — 80

Your town resident population 6/30/75 — 903 assessed at \$1.25 per capita \$1,128.75.

Skilled nursing care visits — 498 (includes care of catheters, colostomies, dressings, blood pressure check, injections, etc.) Therapy visits — 62

Nursing intervention and prevention visits — 375 (includes preventive testing, health guidance and support, counseling, teaching) No charge to patient.

Future Goals: (1) To increase patient visits per town. (2) To offer immunization clinics every 2 months. (3) To grow in the area of maternal-child health through well-child conferences and prenatal classes. (4) To develop mental health follow-up care. (5) To further coordination between school nurse and KVNA.

We thank you for your support through appropriations, contributions and also the donations of food, clothing and medical equipment.

People are the purpose for which community health nursing exists. It is only through your action as patients, health workers, taxpayers,

legislators, family members, and citizens that we can continue to provide high quality professional services.

MRS. TANYA WILKIE, RN
Supervisor

Your town representatives are Mrs. Joseph O. Battles and Mr. Donald Garmon.

THE BRADFORD HISTORY AND BICENTENNIAL COMMITTEE

The manuscript of the Bradford History is complete! September 27, 1976, the 189th anniversary of Bradford's incorporation is the date set for its publication. It represents six years of research and writing by the committee, a field trip or work meeting each week in addition to work at home, typing or writing. The work meetings will continue into the spring to prepare some 150 pictures to appear in the book.

The preparation of the slides, with new additions, for a summer showing of "Bradford Past and Present" will involve many more hours of work for the committee.

The complete set of Bradford Town Reports acquired with the help of many townspeople have been bound in a set of twelve volumes and have been dedicated to the life and memory of Laura Hoyt Sanborn who died March 14, 1975. Her knowledge of 99 years had been invaluable to the writing of the history. A fund established in her memory met the cost of the binding and dedication.

A program was arranged for the presentation on October 12, 1975 by Congressman James C. Cleveland of the Bicentennial flag and certificate, which marked Bradford as a Bicentennial community. The flag flies beneath the American flag on the Town Hall flag pole and the framed certificate hangs in the Selectmen's Office.

To achieve this honor, projects representing the three national themes Heritage '76, Festival U.S.A. and Horizons '76 are planned. Already working are the Conservation Commission, all Boy & Girl Scout groups, war veterans, Brown Memorial Library, the Central School and the Parent-Teacher Club. Other organizations are expected to participate during the Bicentennial year.

A sampler worked by Phebe Presbury in 1791 when she was nineteen was presented to the committee by Leo Boisvert. Recognizing its priceless value the committee has had it framed with glass both front and back to further preserve its perfect condition.

A wall map dated 1858 of Merrimack County was given by the President's Memorial Fund of the Bradford Women's Club. A similar map was the source of the set of maps recently reprinted through the courtesy of Richard Sweet which are again for sale. Many other items have been added to the memorabilia of the committee.

The committee attended two meetings in Newport on the preservation of historical sites and records.

A quilt in the rail fence pattern, made by the committee, will be featured at a summer quilt exhibit.

The committee appreciates the work of local typists, particularly Linda Brighton and the research done by Karen Hansen in the office of the New Hampshire Secretary of State.

Your history committee looks forward to the completion of their work and the organization of an Historical Society to document history as it happens in the future.

Added to the Bicentennial Committee during 1975 were: the Rev. Robert E. Washer, Bicentennial Committee of American Baptist churches; S. Jay George, World War I veteran; Robert E. Stewart, Boy Scouts; Evelyn Lammert, Conservation Commission, and Winfield S.

Smyth, moderator and library trustee.

COMMUNITY ACTION PROGRAM

BELKNAP-MERRIMACK COUNTIES, INC.

**Kearsarge Valley Neighborhood Center
Old Graded School, Main Street
Warner, New Hampshire — 456-3028**

Since 1965, the Belknap-Merrimack Counties C.A.P., Inc., has served as a delivery system for services to elderly, low-income families and individuals of Bradford through the Kearsarge Valley Neighborhood Center which has been in existence since 1973.

Although funds for Community Action are generated in different ways, support for the Neighborhood Center is based primarily on local tax dollars. In essence, the Neighborhood Center is the basic framework on which the effective delivery of services is based.

The purpose of the Neighborhood Center is to present convenient and comprehensive help to low-income and other needy persons and to spur their efforts to better themselves and their environment.

During 1975, residents of Bradford have participated in the following programs, or have used these services in 1975:

Elderly Nutrition	Fuel Loan
Rural Transportation	Winterization
Shopping Assistance	Welfare Assistance
Elderly Information & Referral	Food Stamp Assistance
Food Assistance	Legal Services
Clothing Assistance	Operation Green Thumb
Housing Referral	Summer Camp (youth)
Rent-A-Kid	Summer Work Experience (youth)
Adult Work Experience	General Information & Referral

Through programs and services such as those listed, C.A.P. is providing the mechanism for people to find ways of opening economic opportunity for themselves: of raising the capacity of individuals to participate in the economic life of the country. It is also the task of C.A.P. to develop new programs that can be used to help solve social problems.

On behalf of all the Community Action staff, I would like to acknowledge the generous help and assistance given to Community Action by residents and town officials during 1975. Thank you very much.

Sincerely,
STEPHEN P. CACCIA
Area Director
